This Memorandum of Understanding on Cooperation (MOU) is entered into by and between the Department of State, Bureau of International Narcotics and Law Enforcement Affairs (INL) and the North Miami Police Department (NMPD), herein referred to as the Participants, for the purpose of establishing a mutual framework governing the respective responsibilities of the Participants for cooperation related to training, advising, and mentoring international law enforcement personnel and/or to provide assistance for anti-crime efforts overseas. The purpose of these activities is to provide assistance to foreign governments relative to international criminal activities. INL's participation in these activities is authorized by Section 481 of the Foreign Assistance Act of 1961 (P.L. 87-195), as amended (FAA) (22 USC 2291 *et seq.*). **II. Scope**

It is the intent of INL that the NMPD will provide, consistent with this MOU, training, mentoring, and advising on policing matters to international personnel (referred to as trainees). Achieving this goal will involve familiarizing INL personnel with the NMPD training offered to such trainees (international personnel) and familiarizing NMPD personnel with INL and its role in the provision of foreign assistance. The terms and conditions or operational plan for the provision of services by NMPD will be specified in attached addendum, as appropriate. It is the intent of the Participants that INL will pay for the costs of the services provided by NMPD.
